

[THOMAS, Doris P.](#)

Passed away peacefully in her sleep on October 18, 2013, after a full and adventurous life of more than 95 years.

Doris was born and raised in England, and came to Canada as a young war bride.

She enjoyed forty years with her husband William (Bill) A. Thomas, travelling and living throughout Canada. Together with Bill and her son Roy, Doris paddled a canoe down the Mackenzie River in the NWT, and hiked the West Coast Trail on Vancouver Island. Doris loved her garden, and was a proud member of her local garden club for many years. She cherished three successive dogs and one stray cat, cooked and baked tirelessly for family and friends.

Doris will be sadly missed and fondly remembered by her son Roy and daughter-in-law Suzanne, her two granddaughters Christen and Breanne, her sister Joan, her many nieces and nephews, and by dear friends everywhere she lived.

At her request, we invite her friends to celebrate her life by planting a flower or shrub in their garden, or simply share a special meal with others.
